TEACHER ♥ SPEAKER ♥ JESUS-GIRL

## PERSISTENT PURSUIT OF A TRUSTWORTHY GOD

### ABOUT LACINDA

With a lifetime of sitting in church, LaCinda thought she had this whole Jesus thing figured out. But then came the words that blew apart her carefully controlled and crafted facade of achievement-oriented Christian perfection, "Your son has autism." Nothing would ever be the same.

And that turned out to be exactly where God needed LaCinda to be.

She shook out who she THOUGHT God was and discovered He was so much more.

With 25 years of teaching experience, LaCinda offers hope, humor, and Jesus to women who need assurance that our stories have a purpose in His plan and that nothing can separate us from the love of God.

### TESTIMONIALS

"We had the privilege of hearing LaCinda speak at our annual Women's Dinner. Not only did LaCinda know her material well but she kept us fully engaged with her humor and passion for the Lord! It is very evident that the Lord is using her vivacious personality as well as her personal testimony to spread hope and joy to those working through this thing called life!"  
Christine De Haan - Director of Women's Ministries, Grace Community Church, Visalia, CA

Meeting LaCinda Hall was a special delight! She came to our young moms group to share her story of Trusting in the Lord. Her sweet entertaining way of presenting God's Word was refreshing and to the point. She did a beautiful job of blending her story to our theme of "Beholding and Becoming" and left us with a thought-provoking message.

Thank you, LaCinda!

### MESSAGES

Using scripture, stories and a heaping helping of humor, LaCinda's current messages include:

\*Decide to Rise - When "Real Life" isn't what we expected, do we get a pass on The Greatest Commandment? Hint: The answer rhymes with, "GO!"

\*Planted & Rooted - How do we learn to trust God? The same way we learn to play the ukulele. Practice. Repeat. Like the scene in Jeremiah 17:7-8, we want to be planted with God, rooted in His word.

LaCinda brings a message tailored to your audience that will empower and encourage through scripture and personal applications.
